

Motion to Ensure Equity in Member Voting Power

Moved by 1st Vice President Raisbeck

Seconded by Director Ritz

WHEREAS, it is both equitable and critical to the governance of the ARRL that all members have similar voting power;

THEREFOR, it is resolved that the number of members entitled to vote in each Division shall be between 80% and 120% of the number in an average sized division. This rule shall become effective at the beginning of 2027.

The President shall appoint a committee to implement this rule, including preparation of appropriate motions for changes and amendments to the current rules, by-laws, and procedures, with recommendation to be made to the Board at the July 2024 meeting.

Cost: negligible in the planning stage. Ultimate costs to depend on the proposed implementation,
